

Dear Honorable Judge Vanack

I recently completed a bank robbery
to halt a sheriff sale.

My bills were paid by Trustee
Jack Zaharopoulos. I talked to the young
lady at his office & she suggested I
write you. His office paid the bills & now
I get a bill from the attorney for over
\$4,000.00 for phone bills. I asked why
they weren't paid with other bills & she
said to ask you. His son was my
reactor & a lot of the bills are when
he talked to his son. Is this legal?
One call was over \$200.00. I asked
her why they weren't paid along with
the others, she said to ask you. I got
very little money. Till I pay a couple
personal bills I will end up with about
\$12,000.00. I am elderly & \$4,000.00 is a
hardship. My name is
